

Nepean Intensive Care Unit Patient Journal

PATIENT JOURNAL COMMENCEMENT CONSENT

Place patient label here

I consent to commence a Patient Journal: YES [] NO []

I consent to photos being taken of

..... and being added to the Journal: YES [] NO []

By consenting to start a Patient Journal:

- I understand that photos will be taken that include my loved ones face.
Private body parts will not be photographed.
- One photo will be taken in each 24 hour period and include the equipment at the bedside.
- A colour copy will then immediately be added to the Journal and removed from the Intensive Care Unit's camera.
- No other copy of these photos will exist.
